

The U-240 Card Cutter is a mid-level multifinisher solution capable of processing up to SRA3 colour documents printed from digital copiers/printers, such as business cards, postcards, greeting cards and photos. With its compact footprint and interchangeable slit/perforation cassettes, the U-240 automatically cuts and slits documents and stacks them neatly, in sequential order on a conveyor. It is the ideal finishing solution for cutting multiple full-bleed cards adding efficiency to your workflow.

*U-240 Business
Card Cutter*
